

KENTUCKY FAVORS THE NEW STATE

The Name of Kytennva Has Been Suggested As Appropriate.

(Special to The Times-Dispatch.)
OBORN'S GAP, VA., June 8.—A gentleman just returned from a visit to Laurel county, Ky., bringing intelligence that the people of that section of the State are strongly in favor of the much talked of new State. They have suggested the name "Kytennva" for it. This name sounds somewhat like the old Indian name one occasionally sees in print, and some will wonder whence it came—little bit of a word, but a little bit of a word, and the fact that the combination is made up of the abbreviated names of the States out of which it is proposed to carve an addition to the sisterhood. "Ky-Tenn-Va" is the mystic origin.

Emmanuel Fleming, aged sixty-five, an ex-Confederate soldier, is seriously ill at his home near Clintwood. He is suffering from a complication of diseases, and his demise will be a matter of only a few days, or a week, at longest.

Growing crops are suffering from a drought in this section. The nights are cool and the days dry and parching.

News comes from Beechdale, Ky., that Lee Greer, from Pound, Va., was seriously not fatally cut in an affray at that place.

PETERSBURG TAXES.

Rate Fixed at \$1.40—Medical Association Adjourns.

(Special to The Times-Dispatch.)
PETERSBURG, VA., June 8.—A tax ordinance fixing the rate at \$1.40 for the year, beginning July 1st, was adopted at a special meeting of the City Council this evening. This rate, which was established last year, is a twenty cent reduction from the old one.

An ordinance accepting the diversion scheme contract with the Atlantic Coast Line Railroad Company was offered by George Cameron, chairman of the Finance Committee, and passed.

The Council passed a resolution, offered by N. T. Patterson, president, instructing the Public Improvement Committee to take up the matter of improving city roadways and report thereon as soon as possible.

Extension of sewers and water mains and improvement of sidewalks were provided for at the meeting last Tuesday.

A vote of thanks was tendered Captain Winslow, of the United States engineers, for his services to the diversion scheme. The Southern Virginia Medical Association adjourned to-night after the most successful and largely attended session in its history. At the evening session papers were read by Drs. C. M. Hazen, of Richmond; J. H. Hargrave, of Prince George county; C. W. Astor, of Surry, and Barrow, of Brunswick.

Dr. W. F. Brewster, superintendent of the Central State Hospital, entertained the association at dinner. Officers were not elected at this session.

Nearly every member of the Petersburg medical faculty attended the monthly meeting to-night at Y. M. C. A. Hall. An interesting scientific paper was presented by Dr. R. A. Gamble, and discussed at length by the doctors. After the meeting the faculty was entertained at Dr. Gamble's home.

LABOR FEDERATION CHOOSING OFFICERS

W. F. Fields, of Norfolk, Elected President, Narrowly Defeating J. M. Ryall.

(Special to The Times-Dispatch.)
NEWPORT NEWS, VA., June 8.—The State Federation of Labor to-night finished its annual election of officers, after several warm contests.

W. F. Fields, of Norfolk, was chosen president, being elected over three delegates: W. F. Fields, 19; John M. Ryall, of Richmond, 18; C. H. Perry, of Norfolk, 17. On the second ballot the vote was: Fields, 22; Ryall, 21.

Alexandria was selected as the next place of meeting.

Other officers were elected as follows: Vice-presidents—Howard T. Calvin, Alexandria; W. E. Phenix, Richmond; F. R. Abrams, Newport News; D. M. Ruggles, Roanoke. Secretary-treasurer, M. R. Pace, Richmond. Sergeant-at-arms, J. C. Long, Roanoke.

The Jamestown Exposition matter was not reached to-night, but it will be taken up to-morrow morning.

This is the first time in the history of the Federation that the sessions have lasted four days.

The delegates were entertained elegantly by the Old Dominion Brewing Company this afternoon.

It developed to-day that politics occupied the attention of the session yesterday, although a resolution providing that no political discussions should be allowed had been adopted.

The committee appointed to report on the reports of the officers submitted a report denouncing Governor Montague for the action of the commission in charge of the work of improving the State Capitol. The commission should be employed in the work on the Capitol.

A heated discussion followed the reading of the report, some of the delegates declaring that the object was to injure Governor Montague in his campaign for the Senate. After several hours had been spent in wrangling, the report was amended so as to include all of the members of the commission in the "denouncement," and then the report was adopted.
